

Teamleader Warehouse

In September 2021, KLG Europe set up a modern warehouse in Waalwijk, a state-of-the-art logistics center of 20,000 m². Approximately 80 to 150 employees now work here on the storage and European distribution of high-quality ICT products.

Together with logistics employees, you ensure the correct and timely execution of work. As a team leader, you coordinate these operational activities, stimulate cooperation within the teams and ensure that deadlines and efficiency are achieved within the team. You have a good understanding of the logistical and operational processes to be able to support the team effectively. You report to the Manager Operations & VAS.

What will you do?

- Managing, instructing, motivating and managing a number of logistics employees in an operational sense;
- Ensuring efficient staffing and balanced division of work in consultation with the Manager Operations & VAS;
- Supporting the Manager Operations & VAS by acting as a source of information and point of contact for a number of logistics employees;
- Ensuring that the procedures relating to quality are correctly observed;
- Reporting incidents to the Manager Operations & VAS and taking / setting out actions in consultation to improve safety;
- Drawing up the work schedule and liaising with employment agencies;
- Ensuring good cooperation and communication with other departments;
- Customer-oriented attitude (both internally and externally);
- Take care of the team start every day at the start of the shift;
- Attending scheduled meetings on a daily basis to share information regarding planning and production progress.

This is what KLG Europe offers

- Working in a day shift, where we call on your flexibility to work a shift once a quarter (for a surcharge);
- An expert team, with whom you achieve the result together and can look back on your working day and your completed planning with pleasure;
- Working at a growing and healthy logistics service provider where norms and values have played an important role for decades;
- Good working conditions, with a nice salary based on full-time employment;
- Working in an accessible organization where the lines of communication are short;
- Attention and space for education, personal development and career opportunities;
- An informal and good working atmosphere;
- Room for your own input and creativity;
- A dynamic, international and innovative working environment;
- Fun activities and outings;
- Also watch our video about working at KLG: Working at KLG Europe.

Your profile

- You have at least 1 year of experience as a team leader in a warehouse environment;
- You have experience in guiding, coordinating and coaching logistics employees;
- You have experience in conducting job application, absenteeism, assessment and performance interviews and filling in the correct documents;
- You have experience in scaling up and down temporary workers and maintaining contact with employment agencies during a peak season;
- You have MBO working and thinking level;
- You have an organizational ability that allows you to plan and prioritize well to ensure that work is carried out safely and smoothly;
- You have flexibility to take over tasks or help out where necessary;
- You have good communication English skills in speech and writing. Minimum demonstrable level is B1.
- You have knowledge and experience working in WMS and/or TMS systems;
- You have basic knowledge of MS Word and MS Excel;
- You are stress-resistant, accurate, organized and systematic.
- You are solution-oriented and communicate easily on various levels.
- If you are in possession of certificates such as emergency response and/or EPT, this is an advantage. Otherwise, you are willing to meet it.

KLG Europe

KLG Europe is a global logistics service provider that has managed to combine the qualities of a multinational with the culture of a family business. Our people are the most important factor. They are the foundation of our business and our success. KLG Europe stands for Borderless Logistics and we offer our people a stable home port in addition to limitless possibilities. We are therefore happy to invest in the growth and development of our employees.
