

## All-Round Warehouse Operator (Logistics employee)

Do you have an affinity for logistics? Are you accurate, flexible, and proactive? Would you like to work full-time in a dynamic logistics company? Then you may be the new All-Round Warehouse Operator we are looking for to strengthen our team!

As an All-Round Warehouse Operator, you serve multiple customers and work on a project basis. Every day is different. You start your day at 8:00 AM together with your team. The warehouse supervisor distributes the orders, and you get to work immediately. You may start by unloading a container, checking whether all goods have been received, and placing incoming products in the correct warehouse locations. In the afternoon, you prepare shipments, assist colleagues with another customer account, and ensure the warehouse is tidy and organized before the end of the day.

### What will you do?

- Order picking using handheld scanners;
- Loading and unloading trucks and containers;
- Preparing shipments for dispatch;
- Checking quantities and quality of goods;
- Providing value-added services such as labeling, sorting, and repackaging goods;
- Moving pallets within the warehouse to optimize available storage space;
- Operating internal transport equipment such as electric pallet trucks (EPT), stacker trucks (TSP), and forklifts;
- Maintaining a clean and organized work environment;
- Performing periodic inventory counts.

Working hours: Monday through Friday, from 8:00 AM to 5:00 PM.
